# Porth Rhyngweithiol 3DW

Mae'r arweiniad hwn yn trafod sut i ddefnyddio ein porth rhyngweithiol.

Mae'r platfform ar-lein hwn yn hygyrch ac mae'n dangos prif elfennau'r prosiect a golwg gyffredinol ar y datblygiad.

Ar y dudalen nesaf ceir allwedd i'r eiconau a'r hyn maen nhw'n ei wneud.

The screenshot displays the '3DW Interactive Portal' interface. At the top left is the '3DW' logo. The main title 'Interactive Portal' is centered. Below this is a map of the Stornoway area, featuring numerous wind turbine icons. A left-hand sidebar titled 'Overlays' lists various geographical and planning categories: National Scenic Areas (NSA), Special Areas of Conservation (SAC), Marine Protected Areas (MPA), Sites of Special Scientific Interest (SSSI), Special Protection Areas (SPA), RSPB Reserves, Scheduled Monuments, and Listed Buildings. The map includes labels for locations such as Lewis and Harris, Tunga, Newmarket, Laxdale, Marybank, Stornoway, Plasterfield, Sandwick, Melbost, Stornoway Airport, Aiginis, Knock Point, Lochganvich, and Achmore. In the top right corner of the map area, there are 'Map' and 'Satellite' view options. A 'Consented' button and the '3DW' logo are visible in the bottom right corner of the map area. A blue footer bar at the bottom contains the text 'Overlay Information' and 'Hover over an overlay in the menu to get a short description of what the overlay represents.'
